

COMPASS TABLE

RECTANGULAR DINING TABLE

The COMPASS dining tables redefine the concepts of elegance and luxury. The tapered black base features rounded corners and is surrounded by spectacular bronze or satin brass surfaces that generate stunning reflections of light. The marble top is light, thin. The rounded edge shows a refined polishing carried out entirely by hand.

Bases in black steel covered with oxidized bronze (OXB) or satin brass (SB) surfaces.

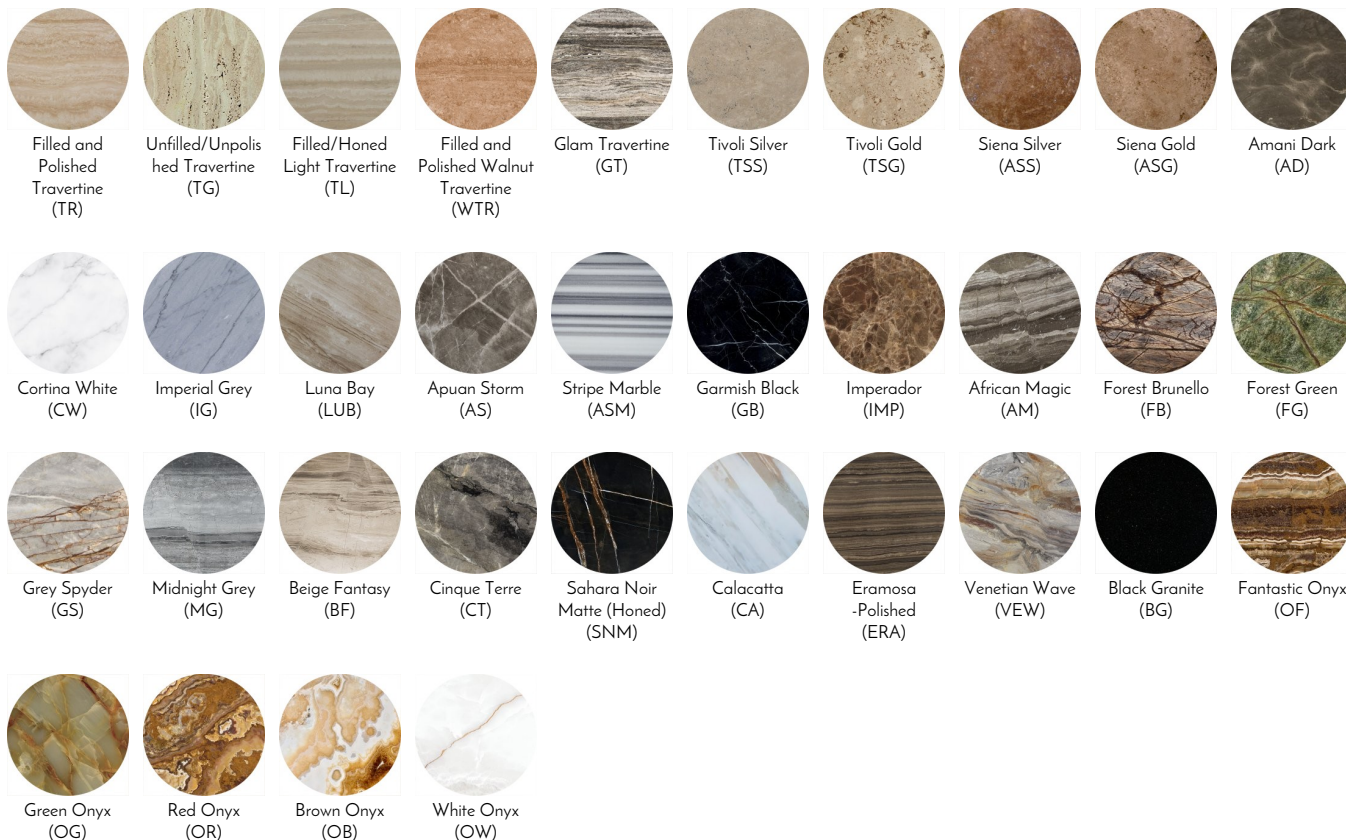

Marble top in any natural stone available with thin rounded edge.

ITEMS
